Calgary Stampede

THE GREATEST OUTDOOR SHOW ON EARTH!

It's been said that only two cities in North America shut down for business during their festivals. One is New Orleans during Mardi Gras – the other is Calgary, during the world famous Exhibition and Stampede!

July 3 - 12, 2009 Everyone in Calgary forgets their daily routine during Stampede, while they celebrate Calgary's western heritage!

The main event is the million dollar outdoor rodeo, the largest in the world. Every afternoon, cowboys compete in classic events: saddle and bareback bronc riding, calf roping, steer wrestling and bull riding. Another feature event is the thrilling action of the evening chuckwagon races, followed by a spectacular stage show and fireworks display. Add free pancake breakfasts, showbands, First Nations exhibitions, concerts by big-name performers, and you've got all the ingredients for a memorable time that mustn't be missed.

THIS IS A PERFECT ADD-ON TO ANY OF OUR WESTERN CANADIAN HOLIDAYS!
